986 LAMBS

Auctioneer – Martin Clack 07977 067519

A combination of snow and the Christmas effect reducing the entry of lambs resulting in a very brisk seasonal trade, averaging 240p/kg and to a top of 282p/kg for 40%kg Texel lambs and a top price per head of £128.70.

Covid continues to cause problems within the processing sector but at least the Brexit strap line of no quotas no tariffs has to be good news unless the devil is in the detail.

One of the best trades for months pen after pen 250p/kg and over with the best 40kg to 44kg lambs in demand 270p/kg to 280p/kg. Heavier weights well over £110, with Conington Farms to £128.70.

More lambs 30kg to 36kg could easily be sold every week. Good entry of lambs required for next week, please contact Martin Clack on 07977 067519.
