

# BRIDGNORTH LIVESTOCK MARKET WEEKLY REPORT – 01.09.20

## 78 PRIME CATTLE

**Auctioneer – Mark Burgoyne 07831 192603**

With many farmers busy on the combine or the baler, we were very, very short of cattle today. What we did have was a superb show of quality cattle and prices to match, with vendors who could make it to market well rewarded for their efforts.

A small sprinkling of steers met a good go, especially on the best with plenty that were too lean forward. British Blues sold to 243p/kg or just short of £1500 in the lump.

The heifer department was full of stunners today which sold to a similar level to last week's flier to 266p/kg with heavy females to £1560 in the lump. 6 Cattle sold to 260p/kg or above.

A disastrously low bull entry with buyers looking for cattle. Limousins sold to 225p/kg with heavy sucklers to £1513.60. Black and white bulls saw a firm trade to 178p/kg in the lump.

*More clean cattle, bulls and cows required next week please with a normal week ahead with no bank holidays!*
