

# BRIDGNORTH LIVESTOCK MARKET WEEKLY REPORT – 01.10.19

## 159 PRIME CATTLE

**Auctioneer – Mark Burgoyne 07831 192603**

More bulls forward but less clean saw trade no faster. Best butchers cattle was a little harder to sell but with breaking cattle a firm trade unless they were too lean for the trade. They were best suited to the store market.

A sprinkling of steers forward saw the best Continental selling to 214p/kg or £1339-64 in the lump. Butchers heifers sold to 250p/kg with many others in the 230p/kg - 240 p/kg and adding up in front of heavier breaking types.

Bull trade was steady throughout with more heavier Continentals penned this morning. Few handy weight shop bulls sold to 198p/kg with heavy Continental to just short of £1400. Meaty Friesian Holsteins met consistent values to 165p/kg on two occasions.

4 Cull cows sold to a high of 135p/kg for Blondes from Brian Watkins at 832kg closely followed by a British Blue to 184p/kg from Chris and Gordon Jones. More buyers for cows today.

## 75 CLEAN CATTLE

**ONLY 12 STEERS SOLD TO OV.AV. 168P/KG**

### Auctioneer - Martin Clack 07977 067519

The numbers of ewes presented for sale on a weekly basis is quite remarkable. Another full house of ewes selling to £108 Texel from Stuart Moss.

Overfat ewes remain hard work, with plainer sorts easily sold. With keep plentiful and ewes being bought to graze don't spoil the ewes by presenting them for sale past their sell by date!

Scotch black face x ewes to £55, Easycare to £50, Cheviot to £59.50 and Welsh to £40.50. Only three rams this week including the fattest Ryeland ever and a small Beltex at £64.00
