### 164 PRIME CATTLE

#### **Auctioneer – Mark Burgoyne 07831 192603**

The first prime sale of 2017 definitely set off on the right foot with good entries and a firm trade throughout. Whilst trade was not perhaps as dear as last week's bonanza, there was a good level of demand throughout the sale and more cattle would have sold without adversely affecting prices.

An improved number of steers forward sold to average 190p/kg including a few also-rans. Suckler bred cattle sold to 229p/kg with heavies to £1478.

Butchers heifers saw a slightly more selective trade to a high of 250p/kg, with more commercial cattle holding values well.

Heavy females sold to £1403.

A sharp bull trade with more customers needing bulls, Best Continentals sold to 226p/kg with heavies to £1435. More well-finished black and white bulls were required with these selling tremendously to 174p/kg.

**ONLY 4 COWS & 1 STOCK BULL** Trade is firming in this department with few cows coming forward at the moment.

734kg Blonde cows sold to 126p/kg (£925) to top this department. Lean Blonde stock bulls sold to 109p/kg for 742kg.

### 112 CLEAN CATTLE

**24 steers sold to average 190p/kg** – Robert & Harold Pugh took the honours today with their racy Limousin at 229p/kg for 598kg. A blue Limmie sold to 221p/kg for a “deserving cause” at the same weight. 672kg Blondes from Millichamp Bros sold to 220p/kg to leave Frank with a smile on his face at £1478.40.

Other Blondes to £1411.20 from Martin Faulconbridge.

**88 heifers sold to av. 200p/kg** – A nice run of Limmies from Roger Jordin sold to 250p/kg, with others to 244p/kg. 526kg Lims from Paul Harper closely followed at 241p/kg, with Richard Parkes selling to 240p/kg. 638kg Blondes from the Millichamp lumped up exceptionally well at £1403.60, with Nev Taylor's single selling to £1356.60.
