

# BRIDGNORTH LIVESTOCK MARKET

## WEEKLY REPORT – 04.02.20

### 126 PRIME CATTLE

**Auctioneer – Mark Burgoyne – 07831 192603**

A great entry of clean cattle with some superb quality amongst them but with a massive deficit in bull numbers. Trade was great on best quality sorts especially if they were the right weight. Second quality breaking up sorts held their values well but the price had to face the music of a depressed wholesale trade.

Similar entries of steers to last week saw very few best bullocks within the preferred weight range selling to 204p/kg or £1387.56 for overweight's.

A fantastic go on butcher's heifers selling to 259p/kg, with two others 250p/kg or above. Handyweight heifers selling to £1357.16 coming to more per head than heavier cattle.

Only 27 bulls with 3 buyers leaving totally empty handed. Trade firm with Continentals to 210p/kg on two occasions and also 207p/kg. Dairy bulls to an improved trade to 169p/kg. Many more bulls required to satisfy demand.

3 cows forward today following last week's bonanza sold to improved returns with plain British Blue cows to 104p/kg and Hereford crosses 99p/kg.

### 1300 HOGGS

**Auctioneer – Martin Clack – 07977 067519**

A sale average of 238p/kg selling to 276p/kg and £139.75.

## WHAT A TRADE!

44kg from Richard Morgan selling to a top price of 276p/kg, with other pens over 270p/kg. Handier weights attracting the higher prices per kilo, although 46kg from Pete Kirton at 270p/kg and 50kg plain hogs to 251p/kg.

Whatever the reason for the increase, long may it continue with the liveweight market system operating at its best driving deadweight prices up. Without competition farmers would be unaware that hogs in January/February would be so saleable.

The message is loud and clear! **SELL LIVE AND THRIVE!!!**
