135 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

More clean cattle were needed today as butchers and abattoirs look for stock following the long Christmas break. A very good number of bulls forward which helped bolster numbers but quality lacking generally in this department. There were plenty of buyers for the cattle providing competition from start to finish.

Steer trade was very firm with no suckler bred steers forward. Heavy bullocks sold to £1365, with 187p/kg top price.

Butchers heifers were not quite the show of normal weeks and sold to a flying trade to 249p/kg, with several more 240p/kg or above. Females sold to £1329 in the lump.

A sharper bull trade with buyers looking for numbers. There was a large complement of black and whites today which sold well with plenty of punters for a cheaper product. Continental bulls saw trade better also selling to 219p/kg with heavies to £1329.32.

ONLY 7 COWS FORWARD

7 cows sold to a dearer trade with Devon cows to 111p/kg for 700kg. 568kg Highland cows to 82p/kg. Non-assured dairy Holsteins to 90p/kg with some meat

68 CLEAN CATTLE

10 steers sold to av. 167p/kg – with a strong Holstein influence. British Blue cross sold to 187p/kg from the Truswell Brothers with 750kg Limousins to 182p/kg from Sam Jones. Ultra-plain Holstein steers to 133p/kg.

58 heifers sold to av. 203p/kg – Richard Parkes sold his run of fourteen to 249p/kg for 502kg, with 536kg Limousins to 248p/kg. Gordon Jones sold 504kg Limos to 244p/kg, with Todd Harris' handy-weight Limmie to 243p/kg.

67 BULLS SOLD TO AV. 165P/KG

A great entry of bulls helped fill regular orders. Trade has much more bite than recent sales with Continental bulls thin on the ground selling to 219p/kg and 216p/kg for handy-weight Blondes from Brian Watkins. 592kg Limousins sold to 214p/kg from David Brick.

Rita Corfield sold Friesians to 69p/kg with Colin Evans selling to 168p/kg. Lots of plainer brethren sold above expectations.

931 HOGGS

Auctioneer: Martin Clack 079777 067519

An overall average of 179.5p/kg to 206p/kg and £108.50.

A remarkable trade for the first week of January with lambs shorter in supply nationally, a possible result of the flooding. Those lambs that were forward showed signs of the weather, with a number of very dirty hogs which got away due to the increased demand; another day they could have been more problematical.

Richard Morgan's hogs took top honours to 206p/kg for 43.5kg, 56.5kg at 188p/kg or £108.50 and 53kg at 189p/kg.

Plenty of commercial export types 190p/kg plus and light weights 32kg 160p/kg to 167p/kg including Welsh and Hebridean.

300 EWES

Trade as the hogs a little sharper with the first pen sold to £137 for Continentals from Richard Cotham and Texels to £111.

Very few Suffolk ewes and North Country Mules up around £5 to £79.50.

A large proportion of leaner ewes to £70 Suffolk x and £60 Mules. Hill ewes to £42 Welsh, £46 small Swales and £48 Lley.
