143 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

A much improved number of cattle forward with trade still good but not quite achieving the lofty heights of last week's bonanza. All well finished cattle eagerly sought after and with leaner grassy types still achieving satisfactory returns with some of these over thirty months. More steers forward but with only a sprinkling of suckler-bred Continental sorts forward, best quality sold to 223p/kg, with heavy steers to £1461 in the lump. A sharp butchers heifer trade selling to 250p/kg with many others 240p/kg and above. Many good shaped beasts on the heavier side today, with breaking heifers to £1335.36. Some good bulls penned this morning saw trade holding firm, selling Continentals to 218p/kg with genuine Friesians to 199p/kg and all well finished bulls in demand.

8 COWS forward sold to a high of 168p/kg for 772kg Limousins, with British Blue crosses to 146p/kg for 714kg. 848kg Holsteins with meat sold to 138p/kg. Continue to send your cows before the autumn flush, should it materialise.

1200 FAT LAMBS**Auctioneer: Martin Clack 07977 067519**

A better entry of lambs this week and trade easier as you would expect the week after Eid, although the average of 185p/kg would compare very favourably with other local auctions selling to 220p/kg for 46kg Charollais lambs from Ed and Tom Richardson. Weight once again paying with several pens realising towards the £100 per head barrier. Light-weights to 187p/kg for 35.5kg Texels. Leaner lambs sold well last week but back to normal trading with under-finished lambs remain harder to sell.
