

# BRIDGNORTH LIVESTOCK MARKET

## WEEKLY REPORT – 08.03.22

### 101 PRIME CATTLE

**Auctioneer – Mark Burgoyne 07831 192603**

Fair numbers of meaty, clean cattle about today but a terrible shortage of bulls. A flier of a trade on the best end – especially those butchers' heifers, with more commercial sorts seeing a level trade and possibly getting dearer as the sale progressed. Once again, there were a few 'store cattle' entered which seriously lost out when compared to a Friday trade!

Fewer steers penned today saw best quality selling to 262p/kg, with heavies just below the £1900 in the lump. Some tidy heifers forward amongst some more commercial sorts saw a buoyant trade selling to past 300p/kg on three occasions to a high of 327p/kg. Heavy heifers sold to a cracking £1931.80

Only a sprinkling of bulls today with both sucklers and black and whites in short supply. Suckler Limousins sold to 258p/kg or £1860 in the lump. Black and whites were a sharp trade and sold to 213p/kg.

It was great to see double figures of cows today with three buyers in attendance. Cows are in strong demand at present and sold accordingly. Meated Simmentals sold to 180p/kg or £1282, with heavier Simmentals to £1316.52 for 828kg. Several cows would have benefited from some hard feeding.

### 80 CLEAN CATTLE

#### 11 STEERS SOLD TO OV. AV. 220P/KG

Black Limmies from Roger Jordin sold to 262p/kg for 630kg, with Limousin crosses from Rita Corfield-McCowan at 568kg and 242p/kg. Heavy Blondes from Frank Millichamp & Co at 798kg and 752kg selling to £1899.24 and £1774.72 in the lump.

#### 69 HEIFERS SOLD TO OV. AV. 247P/KG

The Jordin Bros. stole nearly all the honours it seems selling 486kg Limmies to 327p/kg, with their second best selling to 319p/kg (£1709). Angus crosses from Mrs B also sold to 319p/kg for 484kg and her two Limmies to 304p/kg and 306p/kg. Andrew Dalton's run was topped at 313p/kg for 534kg. Dave Preece's superfit, shapely Limmie sailed to £1942 for 730kg.

#### 21 BULLS SOLD TO OV. AV. 216P/KG

Three super bulls from the Hewitt stable sold to 258p/kg and passed £1800 twice, to take top spot here. Rob Hartley's first homebred Limmies this time sold to 237p/kg

For 622kg at 13 months. 588kg Holsteins sold to 213p/kg from Dave Preece, £1252.44 with his 800kg model to 194p/kg.

#### **1761 PRIME HOGGS**

##### ***Auctioneer – Martin Clack 07977 067519***

A reasonable entry of hogs and despite a wide variation of quality, trade would be dearer than last week for all classes of sheep.

Best hogs sold to 329p/kg for a 43kg Beltex from Ian Morris (£141.90), with several pens well over to 300p/kg, although hogs weighing up to 43kg would attract the higher prices per kilo, heavier hogs remain hard work with most around £125 and the better sorts £125 to £140.

Lighter weights to 278p/kg for 35kg Lley cross from Hayden Woolley, with 277p/kg for 34kg mixed breeds, with increasing demand for hogs under 37kg.

Generally the entry of hogs today would be clean, dry and even belly clipped, which on a tricky trade makes selling hogs a little easier.

#### **841 EWES**

##### ***Auctioneer – Martin Clack 07977 067519 and Gwawr Jones 07930 553661***

An amazing average of £102.20 with ewes over £200 on eight occasions to £240 for four Texels from Pete Kirton, Suffolks to £212 and North Country Mules approaching £150. This could easily be the best trade for ewes in my auctioneering career.

Large, lean ewes very dear at £124 for very plain Suffolk, £114 for lean Welsh yearlings, £105 for North Country Mules with no meat whatsoever and very plain Continental ewes for £120.

Once again more than our fair share of hill ewes selling at £89 for Welsh, £68 for small Scotch Blackface, £45 for Swales and £40 for Hebridean.

A Charollais ram from Rita Corfield was sold for £201. Generally ram quality was quite poor.
