

# BRIDGNORTH LIVESTOCK MARKET

## WEEKLY REPORT – 09.07.19

### 100 PRIME CATTLE

**Auctioneer – Mark Burgoyne 07831 192603**

Cattle hard to find in the live market at the present time, with farmers busy haymaking and/or waiting for the price to rise? Now is the time to support live auctions, with major dead-weight centres bidding less (once again) this week for cattle, with prices actually achieved here today way in front of these continually eroding values.

Clean cattle continue to meet fair returns compared with the alternative. Steers sold to 220p/kg or £1363, with averages including over age and non-assured. Heifers met a buoyant trade with some top notchers forward selling to 250p/kg or £1296 in the lump.

Bull trade still remains difficult, with the best end looking cheap especially if too lean. Best sucklers sold to 206p/kg, with best black and white bulls meeting a better trade selling to 164p/kg.

### CULL COWS

Only one cow forward this morning saw a Park White with massive horns selling to 110p/kg!

### 62 CLEAN CATTLE

**Only 9 Steers sold to ov.av.180p/kg** – A pretty mixed bag here with some good types selling to 220p/kg and 215p/kg from Mrs B, with others to 201p/kg from Frank Davenport. Welsh Blacks sold to 186p/kg for 556kg from first timer Mr Roberts. Non-assured Longhorns (horns fully intact) to 150p/kg from Tony Evans.

**53 Heifers sold to ov.av.206p/kg** – The last heifer in the market from Jan Edwards topped at 250p/kg for 472kg, with two more Limmies to 247p/kg for handy-weights from Mrs B. Richard Parkes' nice run was headed by a 480kg Limousin to 246p/kg. Any heifers that were well-finished were in strong demand today.

**MORE CLEAN CATTLE URGENTLY NEEDED**

### 47 BULLS SOLD TO OV. AV. 185P/KG

On a positive note, bulls seemed to have bottomed out price wise!

Not many headliners today with Mark Jones selling 550kg to 206p/kg, with 568kg from Harold Pugh selling to 197p/kg. Heavies sold to £1308.48 for 696kg Limmies from Gordon & Liz Kennerley.

Friesian Holsteins a little sharper selling to 165p/kg from Henry Yates, with Colin Evans selling to 164p/kg.

## 946 LAMBS

### Auctioneer – Martin Clack 07977 067519

An average of 190p/kg; dearer than last week although the general quality of lambs would be better, with not so many lean, under-finished sheep on offer. Lambs to 228p/kg from Mike Evans for 40kg Texels, with heavier lambs easily sold, with 48kg Texels from Andrew Preece and 47kg from Sue Evans to 198p/kg.

A shortage of light-weights selling to 195p/kg on several occasions for 30.5kg, 32.5kg and 34kg lambs. Although trade would be firmer, £95 stopped the bidding very abruptly, with £98.30 the higher price per head for 52kg from FH Maiden.

## 860 EWES

### Auctioneer – Martin Clack 07977 067519

A larger entry of ewes and a very sharp trade throughout. Continental ewes to £119 Texels from Pete Kirton, with plenty of Texel and Rouge ewes £110 to £115.

Suffolks to £96 with the leaner sorts much dearer per pound than over-fat ewes of similar breeding. Ewes around £75 looking very well sold.

North Country Mules lacking in quality to £77 again, with plainer sorts realising more than over-fat ewes.

The overall average would not be a true reflection of trade, with almost 300 Welsh hill ewes on offer, selling to £62 Nelson, £60 Beulah, £60 small Cheviot types and Welsh hill ewes £46 for meat, down to £24 for very small ewes.

Only 6 rams this week to £106 Texels and £69 Swaledales.
