139 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

With harvesting continuing in earnest, a small entry of clean cattle forward but with a larger bull contingent. Quality sorts were harder to come by today, with trade at least holding its own but paper averages affected by this.

Very few suckler steers penned today sold to 218p/kg or £1413 in the lump. Plenty of bullocks better suited to the store ring presented today.

Butchers heifers in short supply as yarded cattle finish. The best available were good sorts selling to 231p/kg on three occasions and to £1322 as a whole.

MORE CLEAN CATTLE WERE REQUIRED

Good bull numbers helped filling viable loads and sold to similar values to last week. There is still no real bite in the bull trade although 500-620kg well-finished bulls saw decent demand. Best sucklers sold to 208p/kg, with Holsteins a sharper trade to 167p/kg.

ONLY 6 COWS & 2 STOCK BULLS FORWARD saw a good trade with heavy, meated Devon cross cows to 134p/kg at 846kg. Saler stock bulls sold to 124p/kg, with Blondes to 120p/kg being a little leaner. No dairies forward.

MORE COWS & STOCK BULLS NEEDED

64 CLEAN CATTLE

Only 17 steers forward with many very plain and/or non-FABBL. 648kg Limousins from IGC Morris sold to 218p/kg, with handy-weight Limousins to 214p/kg for 538kg from Tony Barker. 698kg thicker Hereford x Limousins to 191p/kg from Andrew Nicholls.

47 heifers sold to av. 197p/kg – Handy-weights from Dave Chilton sold to 231p/kg at 482kg, with heavier Limmies to the same for 566kg and 560kg from IGC Morris and Mr Yates respectively. Charolais heifers sold to £1322 from David Preece.

MORE CLEAN CATTLE REQUIRED PLEASE

75 BULLS SOLD TO AV. 170P/KG

Good numbers with our fair share of weight evident. A super run from Matt Bower sold from 200p/kg to 208p/kg, with his heavier Continentals around £1300. DJM Farming sold handy shop Blondes to 200p/kg for 496kg.

1266 LAMBS

Auctioneer: Martin Clack 079777 067519

Quite remarkably for the summer months, the trade is improving week on week averaging 195p/kg, with best lambs realising over £100 per head to a top price per kilo of 217p/kg. Compare this to last year's trade where there were half as many lambs averaging 142p/kg, 53p/kg less. There are plenty of suggestions as to why this is; whatever the reason, long may it continue.

Top price this week of 217p/kg for Stuart Moss' Texel lambs and 50kg lambs from Lee Preece at 210p/kg or £105/head.

Lambs generally over 200p/kg for finished commercial lambs, with the only lambs harder to sell being a number of very plain lambs.

More lambs required next week to take advantage of the very string trade.

213p/kg	44kg	AG Kirton & Son
210p/kg	50kg	M Preece & Co

333 EWES

A strong trade for large ewes however, small plainer ewes hard work. Texels from Andrew Preece at £99, Suffolks from Dave Sturgess at £96 and Mules passed £80 to £85.

Large lean ewes, as ever, still very dear, with what would look quire plain Suffolks over £70 and North Country Mules to £73.

Hill ewes to £69 Scotch, £47 Cheviot and larger meated Welsh at £51.

Rams to £100 and a single goat to £64.
