

BRIDGNORTH LIVESTOCK MARKET

WEEKLY REPORT – 11.06.19

168 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

More cattle forward probably because of the dismal weather encouraging farmers to come to market. With major dead-weight centres reducing values by at least 5p/kg following on from previous hefty reductions, trade was a little firmer especially on well-meated heifers and steers. Very lean cattle are difficult to place at the moment.

A handful of steers saw best shapes selling to 214p/kg or £1331 in the lump. Several more ordinary bullocks sold to expectation but would reduce our overall average.

Butchers heifers met firm demand selling to a high of 245p/kg on two occasions. Females sold to £1312 in the lump.

Bull trade a little better but with too many lean bulls entered. Shop bulls sold to 212p/kg, with heavier Continentals selling to 209p/kg or £1299. Friesians sold to 169p/kg, with a few more over 160p/kg than recent sales.

100 CLEAN CATTLE

21 Steers sold to ov.av.174p/kg – Young Limousins from that deserving cause sold to 214p/kg at 622kg, with another to 210p/kg for 582kg from the same home. Handy-weights from Mark Jones sold to 206p/kg. Steers over 700kg generally hard work.

79 Heifers sold to ov.av. 199p/kg – Starring handy-weights from Roger Jordin stole the honours at 245p/kg, only equalled by Richard Parkes' Limmie achieving the same at 518kg. Longer distance travellers took third spot at 243p/kg for 486kg from Jan Edwards. Heavier Limmies sold to £1312.74 for 594kg from Dave Chilton.

68 BULLS SOLD TO OV. AV. 167P/KG

Shapey shop bulls sold to 212p/kg for 488kg from Ed Green who also sold 622kg Limmies to 209p/kg or £1299.98 in the lump. Blondes from Brian Watkins sold to 196p/kg for 560kg. Black and white bulls sold to a high of 169p/kg from Colin Evans, who was moving smoothly again! Well-finished bulls easiest sold.

1400 LAMBS

Auctioneer – Martin Clack 07977 067519

With the national trade realigning and requirements changing, the trade in Bridgnorth would compare very favourably with other auctions, although a very different trade to that experienced only two weeks ago.

Heavier weights attracting more interest with 46kg to 215p/kg and 47kg breaking the £100 barrier to £101 from Guy & Mark Williamson.

Light lambs are easily sold with plenty of interest in lambs under 35kg to 215p/kg for very commercial 31kg lambs.

A top price this week of 227p/kg for 40.5kg Texel x lambs from Dave Sturgess purchased by M & S Butchers, Bridgnorth.

With no less than twelve customers in attendance, all classes of lambs attract competitive bidding and more lambs could easily be sold each week.

An average of 150p/kg today to 175p/kg for 32kg from Rob Rose and 37kg from RM Colebatch. 59kg to £85 and remarkably, as we approach July there is still plenty of interest in all hoggets.

600 EWES

Auctioneer – Martin Clack 07977 067519

Numbers back to normal and a brisk trade throughout, with even an improvement in the very fat department.

Texels to £100 from Gary Davies. Leaner Suffolk Mules £95 from Steve Lewis and North Country Mules lacking quality but looking well-sold to £78, especially very lean Mules at £67.50.

Small hill ewes easier than the barmy trade of two weeks ago but still very respectable with Speckles to £64, Cheviots £61 and Welsh Mountain £42.

Only 8 rams to £70.

165 STORE/BREEDING CATTLE

Auctioneer: Mark Burgoyne 07831 192603

Trade a little easier generally although there were fewer good cattle forward. The reduction in prime values is not helping despite excellent grass growth. British White steers from Richard Whitehouse sold to £765 at 15m, with Hereford x heifers to £790 from Phil Rowley. Limousin heifers with young calves sold to £1300 from Stokes of Brineton. Limousin steers sold to 233p/kg from Mr George at 12m.
