

BRIDGNORTH LIVESTOCK MARKET

WEEKLY REPORT – 14.02.23

77 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

Disappointing numbers considering last week's flier, sold to another fast trade, but with some orders unable to start due to lack of clean cattle and bulls. We did not quite hit that £2000 figure today, but with heifers to 338p/kg. An overall market average of 260p/kg including more Holstein Friesians than recent sales.

No best steers forwards sold to a high of 278p/kg or £1706 in the lump. More fit steers were required for awaiting orders.

Another great show of heifers sold to a top of 338p/kg with eleven 300p/kg or above. Heavy females added up to a high of £1958.

Generally, an average sample of bulls with only four suckler bulls forward. Best sorts sold to 259p/kg or £1741 in the lump. A belting Black & White trade selling to 227p/kg or £1528 in the whole.

Three cows and one stock bull sold to a firm trade, with all the cows very plain and non-assured 930kg Limousin stock bulls sold to 166p/kg or £1544 in the lump.

56 CLEAN CATTLE

9 STEERS SOLD TO OV. AV. 241P/KG

Handyweight 474kg Limmies topped at 278p/kg from John Cantrill, with Blues at 618kg selling to 276p/kg from Mrs B (£1705.61). Early riser Frank Davies sold his Blue Friesians to £1698.24 for 696kg. Black & White steers sold to 220p/kg but would deplete averages.

47 HEIFERS SOLD TO OV. AV. 277P/KG

A great run from Harvey Parkes stole the headlines at 338p/kg for 524kg Limmies, with others to 316p/kg, 315p/kg and 308p/kg (twice!). Heavy Limmies at 612kg from Evans Curdale sailed to 320p/kg or £1958.40. Neal & Andrew Dalton's nice run sold accordingly at 314p/kg and 312p/kg (twice).

100 CLEAN CATTLE REQUIRED EVERY TUESDAY

21 BULLS SOLD TO OV. AV. 226P/KG

The suckler bulls seem to have disappeared at the moment, with 604kg Limmies from Andrew Preece starring at 259p/kg. 614kg Simmentals from the Bryans sold to 254p/kg. A buzz in the Holstein bull trade selling to 227p/kg from Dave Preece at 566kg.

MORE BULLS REQUIRED EACH WEEK PLEASE

950 HOGGS

Auctioneer – Martin Clack 07977 067519

A better entry of hogs and trade was very similar to last week, with better, well-finished hogs selling to a premium, with leaner, under-finished hogs proving harder work. Best hogs sold to 290p/kg for 43.5kg Beltex from Pete Morris, with butchers willing to pay for quality.

Heavy hogs lacked a little quality this week, selling to £133.10 from Texels from Richard Morgan. Export weights were easily sold, although hill-bred hogs would trade at a discount.

Hogs under 40kg met spirited bidding, again quality was easily sold with prices of 262p/kg for 39kg hogs from Pete Morris.

350 EWES

Auctioneer – Martin Clack 07977 067519

Trade seems to be improving week-on-week, with the better sorts £140 plus, to a top of £162 on two occasions from Richard Morgan.

Suffolk ewes sold to £130 and North Country Mules, lacking size and power, sold to just over the £100 mark.

Plenty of smaller, lean ewes on offer, with Welsh Mules, Greyface, etc, which although sold to a sharper trade, proved harder work than fitter, heavier ewes.

Hill ewes sold to £56 for small Cheviot types, Welsh sold to £38 and lean, small hill ewes £30. Continentals easily won gold, with Dave Green's Texels selling to £150, Gary Davies' Texels £137 and Stuart Moss' selling to £142.

A Charollais ram from Lorna Wickens sold to £141.

COULD MY FARM BENEFIT FROM THE FARMING EQUIPMENT AND TECHNOLOGY FUND (FETF) GRANT?

The Farming Equipment and Technology Fund (FETF) is set to open in the coming weeks, offering grants for specific items of equipment and technology that will benefit farmers, horticulturalists, forestry owners and contractors.

This year, the grant has been split into 2 themes; Productivity and Slurry, and Animal Health and Welfare.

Some of the items available under the grant include dribble bars, direct drills, calving detectors, cameras, mobile or fixed cattle handling system, cattle crushes, head scoops, mobile or fixed sheep handling systems, weigh bars, electric fencing and ventilation fans.

The grants are for a minimum of £1,000 and maximum of £25,000 per theme, and are based on set grant amounts for each item. The grant element is usually around 40% of the item's cost, however if the price of the item you purchase results in the grant payment making up a lesser or greater percentage, this will not affect the amount of grant paid, so long as the requirements below are still met.

These requirements include all equipment which is purchased to meet the minimum specifications set out within the option guidance, to be brand new (ex-demo or second hand is not allowed) and purchased through a supplier or manufacturer. All items must also be paid for in full (part exchange is not allowed) and no items must be purchased before a grant funding agreement is offered, although it is possible to secure items with a refundable deposit if you are concerned about supply issues.

The application process is competitive with each item given a score, and applications with the highest average scores then being offered agreements.

For advice and help with making an application, please contact Camilla Whitehouse tel: 01746 762666
