

BRIDGNORTH LIVESTOCK MARKET

WEEKLY REPORT – 15.02.22

109 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

Some very good cattle forward this morning as well as some more commercial sorts – a mixed bag. Trade reflected this with the quality end selling to vendors' expectations, with fatty, natural sorts or cattle that were too lean for most tastes "facing the music".

A great entry of tidy steers sold to 300p/kg or £1836 in the lump, with several near the £1800 mark.

Butcher's heifers were not absolutely "on fire" but sold to a satisfactory 300p/kg with several others 290p/kg plus or £1710 in the lump.

Bull trade was sharp with some useful suckler sorts forward selling to a high of 261p/kg and heavier sorts to £1858 in the lump. Black and Whites were in strong demand and, without any real square sorts, sold to 213p/kg.

Three over thirty-months saw young Blue cows selling to 174p/kg or £1162, with Herefords to 135p/kg. Hereford stock bulls (non-assured) sold to 115p/kg or £1225.90 as a body.

53 CLEAN CATTLE

13 STEERS SOLD TO AVERAGE 246P/KG

Andrew Bishop owned the star bullock in amongst strong competition, selling his Limmie to 300p/kg for 612kg (£1836), 610kg from Evans Curdale were unlucky in second spot at 292p/kg with others to 276p/kg for Blondes at £1816.

40 HEIFERS SOLD TO AVERAGE 233P/KG

Evans Curdale got their own back here selling their 542kg Limmie to 300p/kg, with the Dalton stable and 'Mrs B' both selling their best to 296p/kg. Two shapey sorts from Andrew Bishop levelled at 292p/kg, with 'Mrs B' mentioned again at 290p/kg. Heavy heifers sold to £1710.72 for 648kg from James Davies.

56 BULLS SOLD TO AVERAGE 213P/KG

Two cracking Limousins, as usual, from Jackie and Will Forrester, were top dogs here at 261p/kg and 256p/kg or £1832.96 for the heaviest of the two. The Thomas' were distance travellers and sold their heavy Saller to £1857.60 for 860kg. Dan Watkins achieved 254p/kg for his best at 596kg. Black and Whites sold well to 213p/kg from James Woolrich.

1471 PRIME HOGGS

Auctioneer – Martin Clack 07977 067519

Trade easing nationally with heavy weight hoggs suddenly very hard to sell. Ordinary hoggs over 52kg considerably easier than recent weeks.

Lighter, leaner sorts up to 44kg remain in demand with better shaped sheep over 300p/kg to 309p/kg for 40kg Beltex from Pete Morris.

Hoggs under 36kg regardless of quality attracting spirited bidding with 35kg Texel to 283p/kg from Gordon Bennett. More Welsh hoggs over 250p/kg apart from hoggs 25kg to 27kg which are difficult due to the high kill charges per kilo.

Heavy hoggs to £160 from TR Craig & Son and 54kg to 254p/kg from Nigel Kinsey.

900 EWES

Auctioneer – Gwawr Jones 07930 553661

Another large entry of ewes with a wide range of breeds and finish. The overall average well up on last week at £95.20 a reflection of the levels of interest.

Despite the hogg trade realigning, the ewe trade seems to be holding firm with large heavy ewes trading up to £176 for Texel crosses. Small but very shapely Beltex at £150, Suffolk x Mules £135 and North Country Mules £110 to £118 from Josh Munday for well-bred meated ewes.

Pen after pen of hill ewes to £100 Cheviot, £72.50 improved Welsh, £75 Herdwick, small Welsh Mountain ewes £53, horned even looking well sold with Scotch £78 and Swales £69.50.

Almost 50 Rams and quality varied with very few strong heavy rams and certainly nothing in the same street as the £240 Charollais last week. Texel at £125, Suffolk £121, Blue Texel £108, Blue Face Leicester £113, Cheviot £109 and plain Dorsets £100.

A single goat sold for £120.

As we head into 2022, businesses are thinking about how they can adapt for the future. Now is a good time to review your finances to help identify whether your current funding offers long-term stability.

While other lenders' support for the sector may vary, their bank managers come and go and their reviews become more frequent. The support from the AMC for agriculture is consistent. The long-term loans from the AMC give you the confidence to get on with what you do best without worrying about regular lending reviews. Loans are available for terms of up to 30 years, with options including interest-only, repayment or a combination of both, on fixed or variable interest rates.

AMC loans can support a range of business purposes, including:

- **Buying land**
- **New buildings and fixed equipment**
- **Restructuring borrowing**
- **Paying out a retiring partner**
- **Building improvements**
- **Purchasing machinery**
- **Diversification**
- **Working capital**
- **Renewable energy projects**
- **Sustainability improvements**

Nock Deighton Agricultural LLP are experienced AMC Agents and can provide knowledgeable support for your farming business, whatever your plans are.

- **Terms from five to 30 years**
- **Long-term fixed or variable rates**
- **Repayment or interest only options**
- **Loans that can be passed on to the next generation**
