Some great heifers presented for sale, sold to 256p/kg with numerous 240p/kg and above. Handy finds to £1325 in the lump.

1701 LAMBS

Auctioneer – Martin Clack 07977 067519

The general lamb trade eased nationally last week and continued at the lower levels in many Monday markets.

Bridgnorth average of 217p/kg would be less than recent weeks but compared very favourably again this week's national trade, possibly being helped by a full complement of purchasers. All of which were out to buy lamb but very driven on price.

A top price this week of 300p/kg for 41kg lambs from Ed Bunning £123. However, only the very best lambs or heavy lambs over the £100 barrier.

Butchers requiring quality lambs but preferring lambs under 41kg with heavier lambs over 43kg selling to 229p/kg for 46kg from P & J Corfield.

Light weights on last week still selling to a premium to 244p/kg 31.5kg from Paul Lawley.
