

BRIDGNORTH LIVESTOCK MARKET WEEKLY REPORT – 17.11.20

123 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

A great entry of clean cattle saw trade no faster but with best sorts in strong demand all through. Bull numbers were drastically short today and regular orders were unable to get going – consequently, bull trade was sharp. Buyers for 50 plus bulls here every week.

Steer quality was more mixed today with top calls of 260p/kg and with no heavyweights forward a top price of £1380 in the lump.

Not as many best butchers heifers forward saw headliners of 279p/kg with two others in the 260 pence bracket. Heavy females sold to £1461 in the lump.

Bulls over 700kg highlighted this department at 218p/kg, with £1600 nearly achieved, with a top price of 220p/kg on sucklers. Black & Whites were few and far between and sold to 177p/kg.

3 cows forward saw trade a little better with British Blue crosses 750kg selling to 132p/kg and others to 116p/kg.

1565 LAMBS

Auctioneer – Martin Clack 07977 067519

What a difference a week makes, from the uncertainty of last week to possibly the best average for several months of 218p/kg. A note of caution, trade was driven by reduced numbers locally both Monday and Tuesday, but on a positive note, virtually all customers very quick to remove the lambs.

A top price this week of 241p/kg from Dave & Caroline Evans, with the best butchers lambs no dearer and the biggest improvement in the second quality more commercial sheep and lambs over 48kg, selling to £112.75 for 55kg Suffolks and 52.5kg to 207p/kg.

With a very strong store lamb trade, lighter weights are few and far between but keenly sought after to 217p/kg for English half-bred from Mr Yapp.

More lambs required with trade firm and customers looking for all grades of lamb.
