## WEEKLY REPORT – 18.01.22

### 96 PRIME CATTLE

**Auctioneer – Mark Burgoyne 07831 192603**

A great entry of heifers but with a shortage of bulls, met a sharp trade, with all cattle average 256p/kg. All heifers sold to an overall average of 261p/kg, with steers and heifers selling to £1815 in the lump. Even though we are in the January blues trade looks to hold up well with numbers very tight both in the prime and in the store ring.

Best shaped steers sold nicely to 258p/kg with heavies to £1815 in the lump. More well finished steers are required each week.

A cracking show of heifers saw this first and also the last selling to 300p/kg with seven others in the 290p/kg range. Heavy heifers sold to £1753 in the lump.

We were really scratching around for bull entries with 10 bulls cancelled at the last minute. Continentals out of the suckler herd numbered one today and sold to 255p/kg. Dairy continentals sold to £1617 and Ayrshires to 205p/kg.

Only one particularly anti-social cow sold at speed to a realistic 114p/kg for 608kg.

### 74 CLEAN CATTLE

**ONLY 9 STEERS SOLD TO OVERALL AVERAGE 228P/KG**

Best shapes today were from Dave and John Preece, selling to 258p/kg and 254p/kg for 574kg and 650kg respectively. 726kg Limmies from Chris Jones sold to 250p/kg or £1815 in the lump. Heavier steers more difficult to sell.

**65 HEIFERS SOLD TO OVERALL AVERAGE 261P/KG**

Lot number one from Neil Perkins hit the 300 pence mark for 524kg Limmie, only to be equalled by the last in from Graham Sevenoaks, a Limmie at 536kg. Richard Parkes best sold to 298kg for 514p/kg with continentals from Steve Perkins, Dan Watkins and Mrs B all selling to 293p/kg, Roger Jordin sold both his best finished to 291p/kg. Heavier finished sold to £1752.80 for 626kg from Mrs B, with 670kg Blondes to £1708.50 from Millichamp Bros.

**22 BULLS SOLD TO OVERALL AVERAGE 204P/KG**

The single suckler bull from Bill Yeomans sold well to 255p/kg for 634kg (£1616.75) with Blonde crosses from Charlie Lloyd selling to 235p/kg for 588kg.

838kg Montbeliarde sold to £1617.34 from Brian Williams with his Blue crosses to £1508 for 650kg (232p/kg). Ayrshires from the Dan Rodenhurst stable sold to 205p/kg with Holsteins to 195p/kg from Dave Preece.

More bulls urgently needed next week please.

### **1106 PRIME HOGGS**

**Auctioneer – Martin Clack 07977 067519**

An average of 268p/kg for a mixed entry of hogs, best hogs and finished hogs 38 to 40kg, possibly dearer than last week to 329p/kg for 38kg Beltex from Pete Morris.

Hoggs over 50kg showing quite a reduction following the national trend although a little less per kilo still selling to £142.80, 60kg Texel cross from Kelvin Ramsbotham, although generally £130, seemingly the price of overweight sheep.

More hogs under 38kg and with a fresh face in attendance trade would be firmer. 35.5kg Texels 289p/kg from Paul Massey, more hill-bred hogs 31kg to 266p/kg and Welsh 247p/kg

### **935 EWES**

**Auctioneer – Martin Clack 07977 067519**  
**Gwawr Jones 07930 553661**

A market average of £105 selling to £166 Texels from C Lloyd and rams £170 from S & A Perkins.

Large lean ewes the order of the day with even heavier overfat ewes a lot less per kg than equivalent, lighter ewes.

Suffolk x Mules to £140 with plenty around £130. North Country Mules to £128 and lean Suffolks, very well sold at £100 plus.

Demand for shapely continental ewes seems to increase week on week with very small Beltex ewes £124 and customers very keen to purchase Kardashian-type ewes. Smaller ewes at £80 Scotch Blackface, £94 Beulah and small Welsh hill ewes £52.50 for plain ordinary ewes, to £76.90 for red ewes. 38 Rams to £170, Texel £149 and £135 Blue Face Leicesters.

Good show of ewes required for next week. Contact Martin Clack on 07877 069919 or Ollie Clack 07891 343673.

# AMC

The Agricultural  
Mortgage Corporation

As we head into 2022, businesses are thinking about how they can adapt for the future. Now is a good time to review your finances to help identify whether your current funding offers long-term stability.

While other lenders' support for the sector may vary, their bank managers come and go and their reviews become more frequent. The support from the AMC for agriculture is consistent. The long-term loans from the AMC give you the confidence to get on with what you do best without worrying about regular lending reviews. Loans are available for terms of up to 30 years, with options including interest-only, repayment or a combination of both, on fixed or variable interest rates.

AMC loans can support a range of business purposes, including:

- **Buying land**
- **New buildings and fixed equipment**
- **Restructuring borrowing**
- **Paying out a retiring partner**
- **Building improvements**
- **Purchasing machinery**
- **Diversification**
- **Working capital**
- **Renewable energy projects**
- **Sustainability improvements**

Nock Deighton Agricultural LLP are experienced AMC Agents and can provide knowledgeable support for your farming business, whatever your plans are.

- **Terms from five to 30 years**
- **Long-term fixed or variable rates**
- **Repayment or interest only options**
- **Loans that can be passed on to the next generation**
