

BRIDGNORTH LIVESTOCK MARKET

WEEKLY REPORT – 19.01.21

112 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

Less numbers penned this morning saw a fantastic trade on best quality cattle, with more commercial sorts holding their own. Bull trade was definitely easier with two customers not requiring bulls today but they will be looking next week!

Once again the cattle were a credit to the producers with some well fleshed sorts helping to fulfil butchers and wholesalers orders alike.

Our steer entry was tidy, selling to 246p/kg or £1515 in the lump for good Continental types. It really pays to get your cattle fit.

Butchers heifers were a revelation, selling to 288p/kg with two others past 280p/kg. Heavy females added up to £1570.94 top price per head.

Shapely Continental bulls were in short supply but sold to 220p/kg or £1414 in the lump. Black & Whites much easier, selling to 167p/kg.

Two cows forward saw lean Hereford cross Friesians to 76p/kg for 610kg.

81 CLEAN CATTLE

ONLY 16 STEERS SOLD TO OV.AV. 207P/KG

A cracking Limousin from Andrew and Neale Dalton took the honours here at 246p/kg for 616kg. 608kg Limousins from Mrs B sold in second spot to 236p/kg, with her Blue x Angus to 229p/kg at 538kg. Blondes from Millichamp Bros sold to 228p/kg at 618kg.

65 HEIFERS SOLD TO OV. AV. 229P/KG

The Parkes family normal quality sailed away to 288p/kg for handy-weight Limmies, with the May stable selling to 285p/kg for 470kg Limmie crosses. Mrs B sold her best Limousin heifer to 276p/kg for 496kg. Heavy Charolais crosses sold to £1570.94 for 686kg from the Dalton stable once again.

31 BULLS SOLD TO 172P/KG

Trade a little lack lustre with two orders missing. Richard Skellern sold his 530kg shapely Limousin to 220p/kg at 19mths, with 520kg Blondes to 214p/kg from IGC Morris at 21mths. 664kg Blues at 15mths sold to 213p/kg from Mark Jones (£1414.32).

520kg Holsteins from Simon Pennington topped the black & white section at 167p/kg. Best fed Holstein Friesians almost 10p/kg back on recent sales.

1132 HOGGS**Auctioneer – Martin Clack 07977 067519**

With the numbers of hogs forward in auctions down around 40%, trade is holding firm. Demand for meat however is faltering with most wholesalers reporting resistance in meat sales, high streets are very quiet with the public taking the advice and staying at home.

Those hogs that are presented for sale meet a solid trade **BUT** the sheep need to be clean. It has never been so important to present sheep in a clean state, if the sheep are dirty then they need to be belly clipped.

A top price this week of 303p/kg for 42½kg Texels from Richard Morgan with virtually all of the higher prices per kilo achieved for clean clipped hogs. Heavier hogs sold to £3/kg for 48kg Beltex from James Cork and a top price per head of £144. Quality selling well with plenty of hogs 38kg to 44kg at 275p/kg to 290p/kg.

But for several pens of hogs over 55kg and a number of lean sheep pushed out too soon to catch the trade, our average would look far better.
