PRIME CATTLE (RED)

Auctioneer – Mark Burgoyne 07831 192603

130 PRIME CATTLE

Not enough cattle to satisfy buyer demand with many regular men leaving with only partially filled orders. It would be accurate to state that the overall quality of the cattle penned this morning would be a lot less than recent sales, hence averages would belie a firm trade on everything.

A very disappointing number and show of steers forward which is surprising considering the trade we are having. Longhorn steers topped the averages at 189p/kg or £1266.

Butchers heifers a tremendous go as per recent weeks, with a shortage of the best. Two heifers sold to 253p/kg, with heavies to £1380. Second quality heifers looked less money but lacked kill generally.

Our bull entry showed some decent sorts with suckler bulls to 215p/kg with British Friesians to 188p/kg. Heavy Blondes over 16 months to £1364. We continue to do a responsible job of selling these 'older' supermarket rejects.

15 COWS met a firm demand with four buyers around the ring looking for stock. Best Blonde cows sold to 161p/kg for 754kg (£1214). Rich Herefords sold to 105p/kg for 852kg (£895). Angus fed cows to 130p/kg with 518kg Saler x to 112p/kg. 758kg Holsteins to 108p/kg with some belly.

75 CLEAN CATTLE

10 steers sold to av. 165p/kg – 670kg Longhorns from Brian Wood sold to 189p/kg, with his Charolais 594kg to 184p/kg. British Blues 610kg to 178p/kg from David Cantrill.

MORE WELL FINISHED BULLOCKS REQUIRED

65 heifers sold to av. 205p/kg – It was great to see Steve 'interesting' Davies back again with his Limmies selling to 253p/kg and 244p/kg, both handy-weight. 540kg Limousin from IGC Morris made it this week also selling to 253p/kg, with another 250p/kg from the same stable. 540kg Lims from the Coppice House ranch sold to 248p/kg with both Rob Hartley and Tom Howells selling to 245p/kg. 468kg Lims to 241p/kg from John Jebb.

MORE HEIFERS WITH MEAT & LEAN FINISH URGENTLY NEEDED

63 BULLS SOLD TO AV. 173P/KG

A decent show of meat bulls generally saw the Thomas' from Southill headlining with their 594kg Limmie to 215p/kg. Charolais from Rob Hartley hit 210p/kg, as did shop bodies from Mark Beaumont for 525kg. Handy-weight bulls over 16m easily sold as were heavy bulls under 16m. Heavy bulls over 16m 688kg to 193p/kg from Roy Kinnish.

A tremendous Friesian from Henry Yates sold to 188p/kg for 596kg, with Holsteins to 168p/kg and 167p/kg from Colin Evans and 167p/kg from Paul Taylor.

800 LAMBS**Auctioneer: Martin Clack 079777 067519**

Nationally, the lamb trade extremely slow with a large drop in values over the past week.

Locally, lambs similar to last week averaging 142p/kg, with customers across the board reporting sales of lamb both at home and in mainland Europe very weak.

A few lightweights this week with lambs from Ian Morris to 168p/kg and Sam Jones 170p/kg for 47.5kg Texels. Shapey lambs over 160p/kg but for every pen over 160p/kg there was a lorry load under 165p/kg.

Heavy lambs which have sold well recently are suddenly very hard work with 50kg Texels to 140p/kg and plenty of 50kg plus lambs £68 to £73.

Very few light weights and quality very mixed to 143p/kg for 32.5kg.

345 EWES

Despite the doom and gloom of the lambs, ewes dearer up around £5/head with Texel x ewes to £84.50, Suffolks £81.50, North Country Mules £66 and smaller hill ewes creating considerable interest.

Lean Continental ewes realising as much as heavy, over-fat ewes. Several pens well over £70. Lean North Country Mules all over £55 and Welsh x ewes to £60 with most £35 to £45.

Rams to £78 small Texel and £72 Wethers.
