### 120 PRIME CATTLE

#### **Auctioneer – Mark Burgoyne 07831 192603**

The trade is not demanding large prime numbers at present but more cattle could have been satisfactorily sold on the trade today. Best heifers and handy-weight steers sold to a dearer trade, with heavier supermarket beasts selling in line with reduced quotations for this week. The major abattoirs are inviting in imports at the moment at the same time as reducing prices to home grown – otherwise known as “supporting British farmers”! Keep selling cattle direct and expect more of their “support”. Some direct sellers returned today with one producer selling bulls over and under 16m along with cows on the same day, he could have put on a few prime lambs and cull ewes should he have wished – what could be better and more convenient than this?!

Not a bad entry of steers considering the small overall compliment and sold to a high of 219p/kg or £1428 in the lump. Butchers heifers met a sharp trade to 249p/kg with eight over or on 240p/kg. More well-finished, handy-weight cattle were needed.

Bull trade proved more difficult unless they ticked every box. Belly was penalised with wholesalers looking to face the music, with supermarket suppliers punting cheap meat to the market place. Shop bulls sold to 212p/kg. Meat Friesians and Holsteins that has not been rushed to market were rewarded with a fair trade 154p/kg – 164p/kg.

### 18 COWS SOLD TO AV. 98P/KG

Despite a few more cows being marketed nationally, trade is basically holding up well. Too many cows are travelling direct to abattoirs which will never help raise values, with the major users of cow beef able to increase their profits selling burgers without passing the benefit to the producer.

678kg Blonde crosses topped this section at 143p/kg from RB Dumbell, with Blue crosses from Brian Williams to £1013.84 for 874kg. Dairy steakers sold to 108p/kg from Richard & Frank Povall.

### **MORE COWS & STOCK BULLS ARE NEEDED EACH WEEK**

### 67 CLEAN CATTLE

**22 steers sold to av. 183p/kg** – Blondes from Frank Millichamp topped the bullock section for the second week running at 219p/kg and 217p/kg for 652kg and 630kg. 574kg Limousins from Pete Raybould sold to 211p/kg, with 550kg to 200p/kg for a “deserving cause”.

**44 heifers sold to av. 198p/kg** – Roger Rowson not only stood out in his luminous jacket but also because his Limousin heifer headed the day at 249p/kg. Two star Limmies from Dave Chilton sold to 248p/kg, with British Blues to the same from IGC Morris. Richard Parkes and Peter Gore also sold females 240p/kg plus. 620kg Limousins added up nicely for Coppice Farm at £1419.80.

### 53 BULLS SOLD TO AV. 154P/KG

Again, 80% Holsteins forward with suckler bulls hard to come by at the moment. 530kg Blondes from Brian Watkins sold to 212p/kg, with 520kg Limousin to 196p/kg from Colin Evans. Joanne Haycocks also sold to 196p/kg for her British Blues, with Dave Meddins’ Limousin to 190p/kg for 570kg. 528kg black and whites sold to 164p/kg from James Woolrich, with meated dairy bulls easiest sold.

A better entry of calves and despite the absence due to illness of our young, keen, up and coming auctioneer, the old guard still managed to achieve a very satisfactory trade on everything. Stuart is hoping to be back seeing 20:20 very soon! Limousin cross bull from Mr Taylor took the headlines achieving £400, with Steve Palmer's British Blue bull to £380 and Chris Shingler retuning to achieve £365 for his Limousin bull. British Blue weanlings sold to £450, with Simmentals to £380, both lots from the Palmer stable. Please continue to support Stuart in his quest to drag this section forward to benefit vendors, purchasers and of course auctioneers!
