PRIME CATTLE (RED)

Auctioneer – Mark Burgoyne 07831 192603

158 PRIME CATTLE

Very good entries of clean cattle were forward for the Easter Primestock Show this year but with bull and cow numbers much depleted. Quality cattle were easiest sold with too many cattle presented far too lean and occasionally too ripe. An overall average of 188p/kg, with a strong Holstein influence in the bulls helping deplete averages.
