

# BRIDGNORTH LIVESTOCK MARKET

## WEEKLY REPORT – 24.08.21

### 125 PRIME CATTLE

**Auctioneer – Mark Burgoyne 07831 192603**

Quite a pleasing number forward considering other local markets struggling for numbers and with some decent combining weather this morning keeping producers busy in the fields. A rip-roaring trade from start to finish, with everything at least as dear as recent sales but the bulls were a revelation. If you have fit cattle to sell, please contact Mark Burgoyne for next weeks sale with numbers likely to be very short following the Bank Holiday.

Some good steers forward sold to a high of 279p/kg with three £1600 and above. A great entry of heifers saw the best selling to 292p/kg with seven others 280 pence and more. Heavier females sold well to £1600 plus on two occasions. The bull trade was a stormer selling to just short of £2000 with Continentals to 260p/kg with many around that 250p/kg mark. Black and White bulls were a plain sample and sold to 197p/kg. Many more bulls were required to satisfy demand. Five cows forward saw trade on the up with Saler cows selling to 177p/kg for 808kg, with 878kg Simmentals to 158p/kg. More cows are wanted with these looking value, compared with the clean cattle.

**1745 LAMBS****Auctioneer – Martin Clack 07977 067519**

An improved entry of lambs and trade a little easier than last week's exceptional trade but still very firm averaging 244p/kg.

Best lambs sought after, selling to 295p/kg for 44kg Texels from Andrew Preece, weight and conformation attracting spirited bidding. However plainer and under finished sheep still hard work with too many lambs presented in a fat auction that would benefit from further feeding.

Heavier weights to £141 again from Andrew Preece with 52kg at 270p/kg. Commercial lambs over 45kg averaging £117.50, export spec lambs generally 240p/kg to 250p/kg and lighter weights at 34kg to 265p/kg for Hayden Burton.
