## WEEKLY REPORT – 25.05.21

### 156 PRIME CATTLE

**Auctioneer – Mark Burgoyne 07831 192603**

Better numbers today saw trade holding up well generally. An exceptional bull trade on all types of qualities. Best handyweight butchers beasts no dearer but with heavier wholesaling cattle a decent go considering what the 'big boys' are doing with their prices.

A small quantity of steers saw a top call of 254p/kg or £1407 in the lump, with few best bullocks penned.

Butchers heifers met the ceiling at 281p/kg with heavy females selling well to £1559.52.

Great results all through this section with fresh demand for best types as well as the customary black and white trade. Sucklers sold to a storming 266p/kg with heavy bulls just short of £1700. Friesian bulls topped at 214p/kg with more under 180p/kg. Some buyers left empty handed today.

### 97 CLEAN CATTLE
