119 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

Fewer cattle forward, with rain threatened for Wednesday and the combines starting up again, Some useful sorts entered along with several also rans. Welsh orders were missing as they had all “gone to the show”, but trade was unaffected with many cattle over 400p/kg dead-weight, especially heifers.

A sprinkling of steers saw the best selling to 229p/kg or £1465.20 in the lump. Several over-weight bullocks forward.

Butchers heifers sold to a flying trade to a high of 249p/kg with best shapes not quite as plentiful as last week. Breaking heifers very dear once again and more of these are needed each week.

More black and white bulls forward with bull trade holding firm. Best Limousins sold to 216p/kg at 18 months, with Friesian bulls to 180p/kg.

ONLY 1 COW FORWARD saw 612kg Brown Swiss cow selling to 102p/kg.

1045 LAMBS

Auctioneer: Mark Burgoyne 07831 192603

Again, far too many lean, under-finished lambs being presented for sale, with a tricky trade with export slow as most of France are on holiday for two weeks.

This is the first week this season that the average fell below 200p/kg, with customer very critical and avoiding leaner sorts in preference for finished lambs.

A top price this week of 216p/kg for 37.5kg Texels from John Pain but only the best 15% over 200p/kg.

Heavy lambs also off the boil but still selling to £98 from Andrew Preece.

400 EWES

Auctioneer: Martin Clack 07977 067519

Only 1 ram which realised £92 for a small Texel.
