### 127 PRIME CATTLE – Overall average 185p/kg

#### Auctioneer – Mark Burgoyne 07831 192603

Trade a little easier this morning, as a recent increase in trade has helped to slow down sales! It would be fair to say that the quality was not quite comparable with last week, with best cattle maintaining values because of this. It was good to see decent numbers again and a few more cows. Please keep them coming- we have good buying support.

A small entry of steers saw plenty of very lean bullocks but with the best to 228p/kg or £1496 in the lump.

Butchers heifers sold to 245p/kg with regular orders for these only partially completed.

Friesian Holsteins with meat easiest to sell with Continentals harder work. Shop bulls sold to 212p/kg, with heavy Continentals to £1420.08 in the lump. Black and whites a revelation as previously mentioned selling to 183p/kg.

#### 19 COWS & 1 STOCK BULL

Three punters for this section saw trade decent enough although the cows are depreciating a little as they so most beck ends.

Blonde cows 778kg sold to 143p/kg (£1112.54), with more commercial sucklers with meat in the 120 pence's generally. Dairy cows sold to 110p/kg. Limousin stock bulls a cracking trade to 148p/kg for 1004kg.

#### 72 CLEAN CATTLE

**11 steers sold to average 178p/kg** – A topping Limousins from John Cantrill sold to 228p/kg for 656kg, with non-FABBL bullocks to 209p/kg for 648kg from the Kyte family. 572kg Limousins from Brian & Dave Whiteman sold to 203p/kg.

**61 heifers sold to av. 200p/kg** – Richard Parkes' usual stamp headed the day at 245p/kg for 498kg, with another to 241p/kg. Charolais from Tony Barker closely followed at 239p/kg, with travelled Limmies from Dan Williams also to 239p/kg. Frank Millichamp's Blondes added up nicely to £1308.72 for 574kg. Second quality clean cattle less money.

#### 55 BULLS SOLD TO AV. 170P/KG

Handy-weights from Brian Watkins sold to 212kg for 492kg, with 608kg to 208p/kg from Roy Kinnish- both Blondes. Two Limmies from Paul Taylor sold to 200p/kg and 202p/kg. Heavy Continentals to £1420.18 from David Preece at 732kg.

A storming Holstein trade with Colin Evans selling to 183p/kg for 522kg, with loads of black and whites well in the 160 pence's from numerous vendors.

Please continue to send your well-fed bulls whatever the shape.

More lambs forward than expected and a firmer trade despite trade falling over the cliff Thursday and Friday of last week.

A respectable average of 172p/kg with lambs of all shape and sizes on offer. A weight range from 31kg to 59kg and everything in between.

Best lambs to 213p/kg for 43.5kg Beltex from Pete Morris and others from Hayden Woolley 190p/kg to 199p/kg.

Heavy lambs over £90 to £97.40 for 59kg from Richard Morgan and lighter lambs 32kg to 164p/kg, with Welsh hill lambs at 160p/kg.

The general trade around 170p/kg for all weights and breeds. Good entry of lambs required for next week.

A smaller entry of ewes with trade very similar to last week. Texel ewes to £91. Suffolks to £78. Large, lean ewes once again the order of the day with over-fat ewes harder work.

A good show of North Country Mules achieved £70 to £75.

Fewer Hill ewes this week, with Welsh ewes selling to £38 and Speckled Face to £32.

Rams to £92 Suffolks, £60 Texel, with overall quality very poor.

**ST LUKES FAIR STORE REPORT – 21.10.16****406 STORE CATTLE**

A very well supported Fair this week saw a firm trade all through, with a 98% clearance. There were some “proper” store cattle forward with hair and frame, with best quality missing in a place or two – the cattle were a real credit to producers. Suckled calf trade was on fire, regularly passed 250p/kg to 311p/kg for heifers. Strong demand on young feeding bulls and more of those will be needed for the Supplementary Fair on 4<sup>th</sup> November (entries for catalogue close Friday 28<sup>th</sup> November at 5:00pm)

### STORE SHEEP

One of the largest entries for St Luke's for many years, with over 3200 head of sheep penned, attracting purchasers from far and wide.

Trade overall very similar to recent sales with the only exception being strong, forward store lambs back around £4/head; a reflection of the current fat lamb trade.

A virtual total clearance of store and ewe lambs and breeding ewes, with plenty of interest for all classes of sheep.

This year's event was sponsored by NFU and judged by County Chairman, Richard Yates, who awarded first prize store lambs to David Bradley whose Suffolk lambs realised £67.50, with second going to Helen Sedgley, also Suffolks and realising £66.50.

Texel stores sold to £66 from WJ Rogers & Partners, Charollais £63 and small but sharp headed Suffolks to £64.

A large number of smaller store realised £48 to £57, with Texels at £57, Suffolks £54, Texel £55, Cheviot £47 and very small Beltex at £47.

Ewe lambs to £92 for the first prize lambs from M Holmes and second prize £88 for Tom Howells' Texel lambs. Suffolks to £82 from Mike Halford and North Country Mules £86.

Considerable interest in the breeding ewes with something for every taste. Yearling Suffolks to £92, Texel yearlings £90, North Country Mule full mouth to £98, broken mouthed £81, Suffolk full mouth £85, Berrichon full mouth £91, Welsh 4yo £57, broken mouthed £42, Herdwick yearlings £86, Shetland full mouth £41 and Scotch Blackface full mouth £55.

Rams to £315 twice for Charollais yearlings from Henry Yates and Brian Rodenhurst. Suffolk yearlings to £252, Texel yearlings £241.50 and Texel rams lambs £162.
