## **1541 LAMBS**

### **Auctioneer – Martin Clack 07977 067519**

A reasonable entry of lambs but trade would be easier and for the first time for many months trade was hard work - starting off 240p/kg to 250p/kg and quickly dropping with a sale average of 235p/kg. Trade would be hard work, but not helped by a significant number of lean, under-finished lambs which proved difficult. Finished lambs were well sought after, well over 250p/kg regardless of weight to 272p/kg for 45.5kg Texel lambs from RC Evans Curdale and heavier lambs to £129 for 50kg lambs from Peter Johnson. Lambs under 38kg to 259p/kg from David Talbot for shapey Beltex.

Generally, the heavy lambs were easier sold, but that could have been more a reflection of finish rather than weight.

## **750 EWES**

### **Auctioneer – Martin Clack 07977 067519**

### **And Gwawr Jones 07930 553661**

A very similar trade to last week with heavy meated ewes in demand selling to £183, ewes last week over £200. This week quality would not be as good, with more cross-breds rather than pure bred ewes on offer.

80 ewes from Tony Davies sold to £174 averaging well over £150

Large plain ewes, pound for pound, just as dear with large plain Suffolks £140 and plain Mules £90.

Hill ewes a filthy trade to £95, Cheviot and Welsh to £50 and very plain Herdwicks £48.

Rams to £176 and Boer goats £115 for small bucks.

### **Top Prices £/Head:**
