## Prime Cattle Report (Red)

Auctioneer - Mark Burgoyne 07831 192603

### 208 PRIME CATTLE

In football terms, this was definitely "a game of two halves" with well-finished cattle easiest sold but several runs of cattle better suited to the store ring helping deplete averages. This is where price reporting lets live auctioneers down with our overall average of 193p/kg including all out of specification sorts mixed in this price. The deadweight price is generally quoted for an R4L Farm Assured steer under 30 months of age.

Best shaped steers sold to 244p/kg for British Blues, with heavies to £1554.40. Lean, non FABBL steers over 30 months saw limited trade. A tremendous show of butchers heifers sold to 264p/kg, with numerous others above 250p/kg. Heavy heifers sold to £1508.50 in the lump. Again second string heifers with no meat did not help trade!

Only 41 bulls met a mixed trade with heavy continentals selling to 220p/kg or £1452 in the lump. Holstein bulls were not the best types today and sold to 175p/kg.

### 19 COWS SOLD TO AV. 88P/KG

Although our cow trade is well in line with other markets, our advice is to leave your cows until the New Year if you possibly can – trade is very ordinary at the moment. 800kg Charolais sold to 118p/kg or £944 for Rob Charles, with 734kg meat Holsteins to 105p/kg from Trevor Dale.

### 167 CLEAN CATTLE

41 steers sold to average 185p/kg. Some superb British Blues from Dave Froggatt sold to 244p/kg and 241p/kg for 604kg and 562kg respectively. 596kg Charolais from Richard Morgan sold to 236p/kg. Froggatt and Morgan took most of the honours here but Dave Chilton, Peter Mitchell and Phil Terry also achieved 220p/kg. Herefords to 200p/kg from Phil Terry.

126 heifers sold to average 206p/kg. 482kg Limousins from Richard Parkes topped the day at 264p/kg with his 494kg Blondes to 259p/kg from the same stable. Roger Jordin and Dave Froggatt also achieved 259p/kg, with two continentals to 259p/kg also from Rob Morris. Herefords to 182p/kg from Julian Aston.

### 41 YOUNG BULLS OV. AV. 168P/KG.

22 Holsteins are included in the above average. Peter Kirton's sold 660kg Limousin to 220p/kg. Handy weight British Blues sold to 211p/kg for 536kg, with 504kg Simmental to 206p/kg from Charlie Sandells. Holsteins sold to 175p/kg from James Tudor.
