116 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

A shortage of home produced prime cattle seems to be materialising at the moment, as is weakening sterling in the aftermath of Brexit. These factors are contributing to a firming of trade but with red meat retailers struggling to get more value into their sales. A full buyer contingent produced competition on all qualities of cattle from sale start to finish.

A disappointing number of steers which included over agers, saw Longhorn crosses to 200p/kg and Herefords to 181p/kg.

Butchers cattle saw more heifers over 220p/kg to a high of 241p/kg. A shortage of good quality cattle did not help regular orders.

Bull trade was no dearer with handyish weight suckler bulls to 208p/kg. Black & Whites in decent demand to 156p/kg.

Only 6 cows forward met a firm trade again to 149p/kg for fed Saler crosses, with others to 140p/kg. 674kg plain steaking Holsteins sold to 105p/kg.

64 CLEAN CATTLE

Only 23 steers sold to av. 163p/kg – A very average show saw a sharpish trade with Longhorn crosses to 200p/kg for 592kg from Mr Terry. 548kg Limousin crosses sold to 189p/kg from Terry Bebb. Red Herefords on the thick side sold to 181p/kg from Pearce Farms. Plain steers over 40m included in the averages.

Only 41 heifers sold to av. 211p/kg – Heifers in short supply sold well to 241p/kg for 548kg from the Bower stable, with Roger Jordin selling to 240p/kg for 542kg Limousins, IGC Morris sold handyweights to 239p/kg, with Goulburn Farms also selling two British Blues to 239p/kg or £1,362 in the lump.

52 BULLS OV. AV. 163P/KG

Buyers seem very reticent to give more for the bulls, with only two bulls selling to 200p/kg or more for Ian Powell and Harold Pugh. Handier weights under 650kg easiest sold, with meat Holsteins in fair demand selling to 156p/kg from Henry Yates and Gordon Kennerley.
