Prime Cattle (Red)

Auctioneer - Mark Burgoyne 07831 192603

100 PRIME CATTLE

With the hot weather helping to suppress consumer demand, bull trade proved tricky whereas clean trade at least held its own. An overall average of 169p/kg resulted.

There were only a sprinkling of steers forward with most best suited as stores. Handy weight bullocks sold to 196p/kg with heavies to 194p/kg or just short of £1300 in the lump. A fair trade for butchers heifers selling to 230p/kg with several over 220p/kg.

A small bull entry proved difficult to place with the plainer, cheaper end finding more customers. Best Continentals sold to 174p/kg. Holsteins sold to 142p/kg.

6 COWS SOLD TO AV. 83P/KG

A small harvest entry saw a fair market, with most cows on the plain side. 714kg Simmentals sold to 112p/kg from Mr Turner.
