### 83 PRIME CATTLE

#### Auctioneer – Mark Burgoyne 07831 192603

The finished cattle drought continues with a full buyer contingent looking for beasts. Those producers who bought cattle were the beneficiaries of the dearest trade for a long time, with all shapes and sizes selling well above expectations. A sprinkling of steers forward say anything with meat selling to 240p/kg and all well in front of dead-weight quotes for the week. Handy-weight 614kg continental steers to £1455 in the lump. The butchers heifer trade was a revelation with 12 cattle 250p/kg and above, with two continentals selling to 259p/kg. Heavier heifers for the jewish trade sold just short of £1500. Our clean trade was a real result but more cattle are required each week to satisfy our regular buyer support. Generally there was a lack of quality in the bull department, with a strong Holstein influence. Continentals sold to 213p/kg for 658kg, with heavy sucklerbred bulls to £1611. Friesians sold to 187p/kg.

**ONLY 6 COWS** forward saw a cracking trade with heavy suckler cows selling to over £1500 on two occasions. Pure Hereford cows on the thick side sold to £156p/kg. Live trade is well above the hook price, so why not try a few in the near future and maximise your barren returns.

### 52 CLEAN CATTLE

**14 Steers sold to ov.av. 206p/kg** – A super run of Continentals from John Johnstone hit the jackpot selling to 240p/kg for Limmies at 614kg, with Charolais to 237p/kg and 233p/kg. Butchers steers 420kg sold to 225p/kg for a 'deserving cause'. A couple of lean grassy types sold well but were in need of further finishing.

**38 Heifers sold to ov.av. 233p/kg** – Two of the best from the Peters family stole the limelight at 259p/kg, with 4 others above 250p from the same home. Two Limmies from Ed & Tom Howells sold to 258p/kg, with Roger Jordin selling to 257p/kg and 254p/kg. Stephen Howells sold 630kg 'Conti' heifers to £1493.10. **More heifers of any shape or size urgently needed – as long as they are meat.**

### 32 BULLS SOLD TO OV. AV. 178P/KG

A disappointing show both in numbers and quality. We are experiencing a cracking trade at the moment and regular buyers left with no bull purchases today – please continue to support the live ring. John Hewitt's 658kg Limousin sold to 213p/kg with his 782kg bull to 206p/kg (£1610.92). Most other bulls were dairy bred with a fantastic go on these. James Woolrich's black and whites sold to 187p/kg and 186p/kg, with Mary Beaumont and Roger Rowson selling to 185p/kg and 183p/kg respectively.
