69 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

Plenty of cattle for the buyers attending with trade a little lacklustre as anticipated but with best handy-weight cattle holding values. It is very noticeable how best cattle around the 500-540kg mark are coming to £100 or more when compared with cattle 100-150kg heavier. This has been the case for some time but it is becoming more pronounced as imports flood in with the pound encouraging meat onto our shore from all over.

A sprinkling of steers met similar returns from last week and were more than in line with dead-weight quotations to £1300. Butchers heifers sold to 249p/kg or £1309 in the lump. Second quality cattle were difficult with many too fat for most tastes. More buyers than bulls saw similar returns once again, with Hereford crosses to 181p/kg with Holsteins to 151p/kg.

No cows needed today but with orders for cull cows and stock bulls back to normal next week.
