WEEKLY REPORT – 07.04.20

150 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

Following the deficit of numbers last week it was a job to hold the tide back today! Over 100 clean penned compared with 34 last Tuesday! Once again smart retail cattle eagerly sought after, with heavy more commercial sorts lacking outlets as restaurants and fast food businesses stay closed.

Handyweight steers with shape sold to 224p/kg with heavy steers selling to £1358 in the lump. Please note deadweight centres dropped price dramatically this week.

Butchers cattle saw strong demand once again selling to 269p/kg on two occasions. Heavy females sold to £1431 for 530kg Limmies – not particularly heavy for the money!

Some good bulls in this section this morning met a decent trade, selling Continentals to 220p/kg on two occasions, with heavier Continentals to £1357. Black and White bull trade held up well selling to 177p/kg with more these required!

Only 3 cull cows forward met a level trade selling to 117p/kg for 754kg Blonde cross cows with two other to 112p/kg. We have a customer or two looking for cull cows at the moment!

2084 HOGGS**Auctioneer – Martin Clack 07977 067519**

A large entry of hogs with the good weather increasing the desire to sell sheep. Trade would be a little easier than Monday averaging 216p/kg although several consignments of very posh hogs helping the overall averages.

A top price of 282p/kg for Texels from Steve Perkin's with several pens 250p/kg to 282p/kg.

The heavier hogs becoming hard work with 50kg plus hogs plentiful and trade very selective. A top price of £108.75 for 62kg Texels considerably less than handier weights 45kg hogs at £119 from Richard Yates.

Butchers, very busy for meat but require quality, hogs ticking those boxes would easily be sold with out of spec sheep at discounted prices.
