

BRIDGNORTH LIVESTOCK MARKET

WEEKLY REPORT – 29.09.20

92 PRIME CATTLE

Auctioneer – Mark Burgoyne 07831 192603

Desperately short of cattle this morning with many Monday centres reporting the same problem! No doubt farmers are busy ploughing and planting and this would have kept some cattle at home, but numbers are definitely tight especially in the Midlands, with the major slaughter houses trying to pull prices back, it defies logic why we continue to struggle for numbers.

A tremendous steer trade with two selling to 240p/kg with only ultra-lean bullock's hard work. Heavy steers sold to just short of £1600 and more could have been easily sold.

What a heifer trade with everything averaging 237p/kg. Best butchers trade sorts sailed to 283p/kg with other to 280p/kg. 7 other females sold 270p/kg to 279p/kg. Several handyweight Continentals selling past £1500 in the lump.

A great bull trade with Limousins selling to 236p/kg and other to 235p/kg. A proper trade on black and whites today which sold to 197p/kg. Many more meated bulls were required today.

Only two cows forward saw meated sucklers with bellies, selling to 119p/kg for 642kg, with plain Limmies to 69p/kg for 516kg.

67 CLEAN CATTLE

15 STEERS FORWARD SOLD TO OV. AV. 212P/KG

A 652kg Charolais sold to 240p/kg at 17 months old from Mike Evans (£1565) to head this section, along with first time visitors Mr and Mrs Layton selling 622kg Blues to 240p/kg. Another first time sold to 237p/kg for 614kg from the Roberts Family. 708kg Limmies from Roger Jordin stacked up nicely to £1585.92.

52 HEIFERS SOLD TO OV. AV. 237P/KG

520kg Red Limmies from the Jordin brothers topped a fantastic trade at 283p/kg with a run of 10 from Sue Evans (Curdale Farm) selling to 280p/kg to average 269p/kg on the lot! Richard Parkes topped at 276p/kg with other vendors of note, early bird Mrs 'B' selling 542kg to 264p/kg. Unfortunately regular buyers left without cattle today, so please ensure good entries next week if you have cattle to sell!

25 BULLS SOLD TO OV. AV. 193P/KG

A great result with some plainer types dampening the averaging. Nigel Lloyd's homebred Limmies sailed to 236p/kg and 235p/kg, closely followed by Paul Taylors one selling to 219p/kg at 596kg.

Friesians sold to 197 and 193p/kg, both from Colin Evans. Holsteins from Dave Preece sold nicely to £1238.68.

FARM MACHINERY DISPERSAL SALE MARKET REPORT

ON BEHALF OF DAVE & ROSE HALFORD

On Saturday 26th September 2020, Nock Deighton Agricultural LLP held a dispersal sale for David and Rose Halford at the Mary Moor's Farm, Trimpley. Having farmed alongside the River Severn and Severn Valley Railway for two generations. A wide range of varied and interesting lots were assembled for a crowd of prospective purchasers.

Some of the more interesting lots, taxidermy of a Capercaillie that sold for £175, a collection of galvanised buckets fetching £95 and £145 for a cast iron trough. With plenty of interest from both the farming community and beyond!

An array of farm machinery both vintage and new attracted interest from UK and Europe. The highlight being a 2007 MF6480 with only 1700 hours on the clock fetching £32,750, a 2000 Bobcat 763 realising £10,600, a John Deere Gator £6,950, an Ifor Williams Stock Trailer at £4,050, a Marshall Bale Trailer £3,200 and an Opico Air Seeder and Harrows for £3,500.

219 Beulah ewes to £100 for 3 and 4 year olds, £99 Cross bred 3 and 4 year old and Beulah lambs to £77.

Despite the difficult times at the moment due to Covid-19, Nock Deighton would like to thank Dave and Rose Halford for their instruction in this matter and we welcome any further opportunities to quote for any Farm Machinery or Livestock Dispersal Sales.

Let us take the hassle out of the sale for you! Please contact Mark on 07831 192603 or Martin on 07977 067519 to discuss your requirements.

Our best wishes to Dave and Rose in their next adventure!
