81 STORE CATTLE

Auctioneer – Llŷr Jones 07812934964

Disappointing numbers this week considering the trade seen in Carmarthen Mart in previous weeks. Farmers again rewarded with excellent prices with a ring full of buyers making it as competitive as anywhere to sell your cattle. 600kg non assured Angus bullocks flew to £1600 from R O Williams. Hereford steers topping at £1550 from GJ R & DO Davies, with Limmies getting to £1470 from M Dennard. Plenty others over £1400's with 450kg Charolais steers to £1220. 25-month-old Charolais heifers from T E Jones LTD topped at £1560 with Herefords from JM & CML Williams to £1480. Fleckvieh heifers to £1440 and an empty Holstein Friesian heifer selling to £1380. Plenty others trading over £1300's here today and 150-200 cattle needed here every week to meet the buyer demand. Get in touch to catch the trade.

30 EWE & LAMB COUPLES

Reduced entry on the week due to bad weather, but a good entry of old ewes and their lambs from Thomas Whitland topped at £145 with more at £140 and £138. These ewes sold to a premium as a couple rather than a cull, therefore resulted in a good day's trading for the vendor. As spring grass growth is upon us, get your couples entries in to Carmarthen please!
Many thanks for your continued support!!
