

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 11.11.22

48 BARREN COWS/PRIME CATTLE

Auctioneer – Mark Burgoyne 07831192603

Less cows forward today and less meat also, several runs of plain, washed-out cattle with no weight in front of a full ring of 10 buyers (one fresh face) producing a great trade although averages would hide this. Hardly any suckler cows penned today and so there were no headline prices. Meat Frisian cows sold to 174p/kg for 680kg from Thomas Brynyroddyn, with Thomas & Son Pantycoed selling his to 173p/kg for 684kg. Slip Holsteins sold to 171p/kg from FFGF LTD.

Welsh blacks produced the top price per head at £1185.60 from Williams Tonmawr.

Buyers are looking to secure cows at the moment so at least 50 cows are required each week. Do not send your cows direct to the abattoir- try Carmarthen mart on a Friday- Tested and non-Tested, assured and non-assured cattle needed. Cows, bulls and prime steers and heifers will see strong demand.

151 STORE CATTLE

Decent numbers for Carmarthen Friday.

A fast trade on strong sorts with or without shape- especially if they were carrying flesh- there are many washed out, plainer types about at present and these will need hard feeding for several months to put them right. A smaller, longer-term cattle sold really well if they had some shape but were not too soft!

Steers from Davies Glancarw sold a nice run of steers to top at £1300 for 460kg Limmie with another to £1280. Griffiths Llanilid sold their pair of Herefords to £1285. Blue x steers sold to £1255 from Williams Dolaucothi.

Steers sold to 283p/kg from Davies Glancarw with 272p/kg for Charolais bullocks from Davies Penybedd.

Extra buying support promised if we have 200 stores. Please book them in with Elen at the office mart in Carmarthen (open 9.30-4.30 every day) so we can inform buyers. Diolch yn fawr!!
