81 STORE CATTLE

Auctioneer- Mark Burgoyne 07831192603

Trade on stronger, better-quality cattle sailed upwards once again as buyers look to secure cattle after the Christmas period. Abattoirs have held their prices despite the reaccessioning blues we hear every day on the news. Supplies of cattle are definitely tight nationally at present. The highlights today came once again from Davies Waunllanau selling their shapey blue steer to £1550.00 (530kg). Older Lim steers from James & Son Awelfryn to £1390 with beef shorthorns from Thomas Llwynelyn Lan to the same price.

The heifer department was headed by James & Son Awelfryn with their 32-month Limmie heifer at £1345 with Cullen selling his 22m Lim to £1305.

IN CARMARTHENSHIRE

An opportunity to rent approximately 40ac/16.187ha of permanent grazing land on Pendine Ranges, within the Pendine Burrows Site of Special Scientific Interest (SSSI)

- As the land is subject to the Pendine Burrows SSSI grazing is subject to a maximum stocking density.
- Grazing by cattle or horses is preferred, but complimentary sheep grazing at certain times of the year will be considered
- The grazing will be available for a 7-year term, under a Licence Agreement
- Access and use will be subject to the military bylaws on Pendine Ranges
