

CARMARTHEN LIVESTOCK MART WEEKLY REPORT –14/10/24

82 STORE CATTLE

Auctioneer – Llyr Jones 07812934964

A few less numbers than previous months with one or two vendors waiting for licences. A very good entry forward, albeit not the biggest of cattle with the majority within the 400-500kg bracket. Two 560kg Charolais steers from W J & C M Thomas topped the steers at £1400 with 19-month-old dairy bred Angus steer selling next at £1360 from H & M Thomas. 460kg blues from C P LL & M Jones looked well sold at £1300 who also sold Hereford and Lim steers to £1270. Cattle below 400kg would be a fair trade and sold anywhere around 200-220ppk.

Heifers topped at £1390 for a 505kg BRB x from C P LL & M Jones who also had several heifers over that £1300 mark. Messers Bevan had a wonderful run of cattle with Angus x Lim heifers around that 460kg selling from £1280-£1300. A very good days trading with plenty of demand for all cattle. A big thankyou once again for putting faith in our orange sale. Next sale is Monday 11th of November and entries to the mart office or call one of the team for any advice on selling your TB restricted store cattle or Barren cows. Diolch.
