

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 16.03.22

1 DAIRY

Auctioneer – Huw Evans – 07976 328177

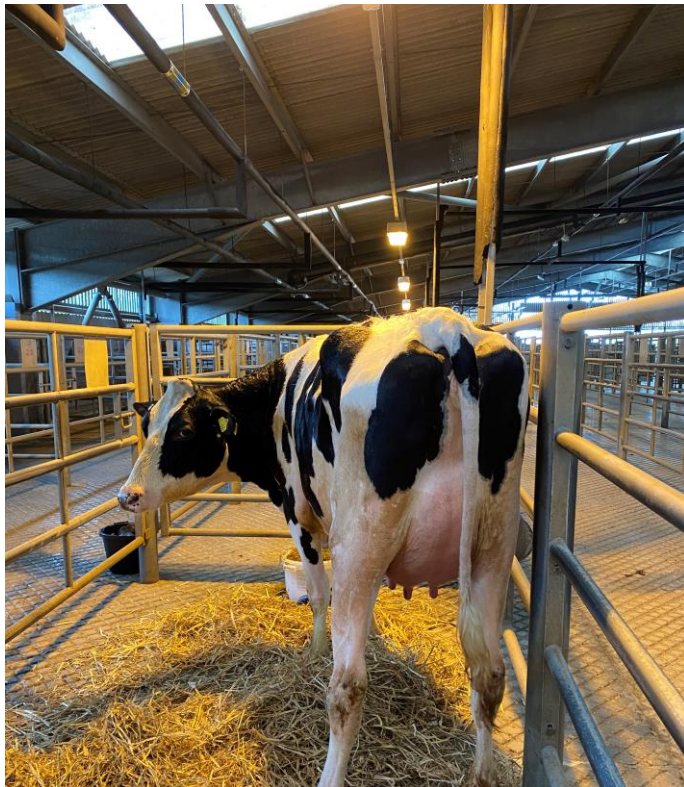

Dairy heifers at Carmarthen over the initial three weeks have sold to a top of £2750 and averaged £1888. Buyer support and a strong trade is there waiting for entries to fulfil the demand. A solitary heifer, Olchfa Susie 140, bred from two generations of VG dams and very much looking like becoming the third if put ahead of a classifier. She sold at £2000 to Thomas, Llwynhelig. Our efforts to bring dairy cattle back to Carmarthen will continue and it would certainly be great to see some familiar faces that I have always served to the very best of my ability over last two decades.

Our weekly sales will continue and a monthly Show and Sale will be on the last Wednesday of each month.

NEXT SHOW & SALE: WEDNESDAY 30TH MARCH. ENTRIES TO HUW ON 07976 328177.
