64 STORE CATTLE

A small pre-Christmas entry with farmers thawing water tanks on a freezing cold Friday morning. Our entry was very mixed but with better quality selling to a fiery trade. Davies, Pantyffynnon was starring once again with young, well grown steers selling to highs of £1435 for a Blue, with a square Friesian getting to 31380. Smaller but shapely red Limmies sold to £1355 from the same stable. CGMT LTD sailed to £1200 for his 450kg 17m Limmie steers, with their Limousin heifers getting to £1030. Plenty of farmers looking for quality stores, but badly grown older sorts difficult to place.

FOR RENT
GRAZING LAND AT
QINETIQ PENDINE RANGES
IN CARMARTHENSHIRE

An opportunity to rent approximately 40ac/16.187ha of permanent grazing land on Pendine Ranges, within the Pendine Burrows Site of Special Scientific Interest (SSSI)

- As the land is subject to the Pendine Burrows SSSI grazing is subject to a maximum stocking density.
- Grazing by cattle or horses is preferred, but complimentary sheep grazing at certain times of the year will be considered
- The grazing will be available for a 7-year term, under a Licence Agreement
- Access and use will be subject to the military bylaws on Pendine Ranges
- The winning tender will not necessarily be the highest bid, as consideration also has to be given to the suitability of the livestock grazing proposed, with more favour given to grazing by traditional extensive breeds
- It will be advantageous if the grazier lives within one hour's driving time of the site
- Informal tenders are required by 5.00pm on Friday 27th January 2023
