87 DAIRY

Auctioneer – Llŷr Jones 07812934964

Another fantastic fortnightly entry with an excellent show of freshly calved dairy cattle. It was a credit to our vendors for producing such quality that resulted in 29 heifers crossing the £2000 barrier and all 49 heifers coming back at an average of £2076.14.

R Lewis continued to supply the goods with his lovely run of balanced milking heifers topping the sale at £3000.00. Pedigree heifer from G Williams was next at £2700 with another 4 over £2500. R & M Lougher topped the cow section with their super powerful black 2nd calver giving over 50kg a day selling to £2400. 3rd calver from J R Morse was next at £2300.

In-calvers sold to £1580 from D H Rees with best of the baby calves to £150 from Esgairhir Uchaf.
