

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 22.02.23

103 DAIRY

Auctioneer – Llŷr Jones 07812934964

Another excellent entry with all sections selling to a ring full of buyers. Some outstanding freshly calved individuals in the catalogue once again this week which is a big credit to our vendors.

The best quality heifers were dearer than two weeks ago with the centre record smashed today. A super heifer at lot 25 *“Dulais Rubicon Peach”* from H R Lewis stole the show. A fantastic well-balanced heifer blooming with milk sold with 13 generations of VG & EX at £4000.00 to D Davies of the Llanllwni herd.

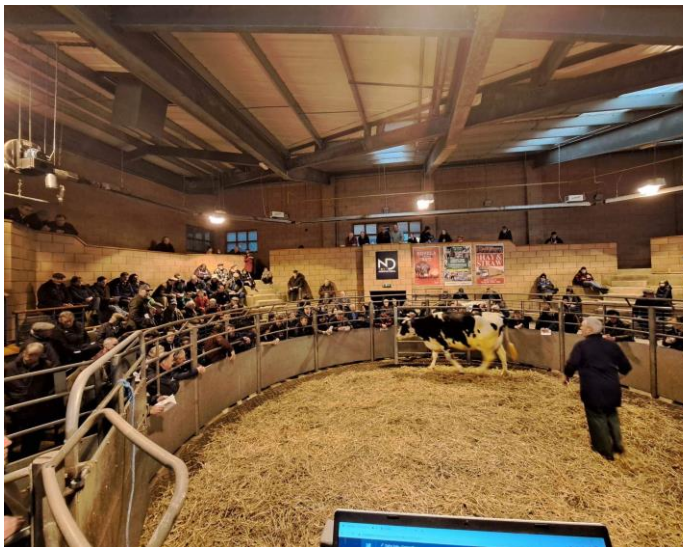

D & L Morris showed 3 outstanding heifers with their best reaching £3000.00. Plenty of the quality side over £2500 today. Second quality heifers would be rather harder to shift at times today.

H K & T L Jones topped the cows with his 2nd calver reaching £2350. R D Law's best cow next at £2100 and another at £2000.

In calf Friesian type heifers sold at £1550 from W Thomas & Co and others at £1450. Norwegian red heifers topped the bulling heifers at £880 twice from TE, MRL & EG Jones with baby heifer calves selling to £180 from M Roberts.

Another successful day in the dairy ring here at Carmarthen mart and entries needed for our next sale on Wednesday 8th of March.

Entries to Carmarthen Office by 12 noon Monday 6th of March
