

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 24.08.22

63 DAIRY

Auctioneer – Llŷr Jones 07812934964

Another excellent entry, with animals to suit every budget and system here today. After our last sales excellent prices it was a tough task to keep the trade going into today. The top end heifers would be a slightly easier trade with second quality moving up a gear on the week. Lewis, Fronun showed his usual run of quality with 'Fronun Recoil Hanna' giving 37 litres a day topping the day at £2650. A fourth calver from, Jones, Garreg Goch Ganol sold to £1900 to top the cow section. Heifers averaged £1976.21, with cows which included some mid and late lactating milkers levelling at £1482.10.

A strong entry of youngstock saw Fleckvieh cross bulls from Jones, Pantyrhendy top at £750, with maiden heifers from Davies & Sons, Brynygroes Fawr getting to £450. In calf Friesian heifers drew a lot of interest with the best-selling to £1580 twice from George, Mount Farm.

Our next dairy sale is on the 7th of September which will include a prize sale for all classes of dairy cattle. Entries to Llŷr Jones.
