**PRIME LAMBS**

***Auctioneer- Dafydd Waters 07908809381***

A stand on trade on the lambs this week with all weights in high demand up and down the alleys at Carmarthen! Topping in the lump were heavy weight lambs at £170 from Davies, Bercoed whilst stronger texel types sold to £155 from Davies, Arthach with Douch, Llwyngwyn's entry also trading at £155 and £151. Plenty of lambs over 300p/kg with the general run either side of 290p/kg. Premium certainly given for well finished lambs, with the slightly leaner lambs see a reduction in p/kg or perhaps better sold in the store section for further finishing. Strong buyer demand each week at Carmarthen with a strong entry already needed next week for our Christmas Mart!

**STORE LAMBS**

Another cracking entry of 1400 store lambs with a very solid trade on all types from start to finish! Highs to £129 for strong hill bred tup lambs from Mainwaring, Tir Cawdor whilst more strong sorts to £117 from Douch, Llwyngwyn. Another consignment of lambs reaching £114.50 from Davies, Brynbwch whilst endless pens over £110 on the day. Strength certainly in demand with a lift in prime lambs certainly helping the store lamb trade with the longer-term types also looking well sold! Plenty of customers in the alleys with numbers no bother every Friday at Carmarthen. Separating wether/ewe lambs from ram lambs certainly does attract more buyers with both types of lambs attracting specific buyers on the day, certainly not compulsory to do so here at Carmarthen but just a message following buyer request!
