

CARMARTHEN LIVESTOCK MART WEEKLY REPORT – 05.04.23

89 DAIRY

Auctioneer – Llŷr Jones 07812934964

Similar numbers this week and as the milk price takes another hit for the months of April and May, trade was certainly more selective. Strongest and best type heifers and cows were a firm trade as the second quality and plainer animals was considerably less than two weeks ago.

H R Lewis kept producing the goods as his best heifer “Bronwen Ewl Cynthia” giving 34 litres of milk sold to a high of £2650. G Williams again was on the podium this week with his heifer “Wyevalley Haniko Cinema” backed by 8 Gens selling next at £2600. Another 17 heifers over £2000 with all 1st calvers levelling out at £1884.65. Brynllan showed an excellent run of 3rd calvers with the best “Brynllan Kingsley Analeaze” calved 3 weeks giving 42kgs selling to £2450. The 15 cows forward, all came back at an average of £1928.65.

In calf heifers topped at £1700 for D H Rees and others to £1500.

20 heifer calves forward sold to £90 from Evergreen Farming.
