## 148 STORE CATTLE

### **Auctioneer – Mark Burgoyne 07831 192603**

More members in Carmarthen Friday – really great to see, with more customers returning to the “state of the art” facility.

A very decent run once again from Davies, Glancarw, once again sold to £1615 for Angus cross steers. 33month blues from Williams, Twmpath sold well to £1575 in second spot. Glancarw sold over £1400 on three occasions with his Limmie heifers, top priced female at £1350. Davies & Son, Lanfryn sold their Limmie heifers to £1315, with their smaller Hereford to £1215. Grazing cattle correct for size and age with potential met a dearer trade as grass begins to grow, with shapeless cattle on the old and small side realistically priced.

Our regular buyers could get viable cows together today and were delighted to see more cattle – so good entries required next week please.

Please enter your cattle with Susan on 01267 493200 or Llŷr on 07812 934964.
