

CARMARTHEN LIVESTOCK MART WEEKLY REPORT –08/07/24

107 STORE CATTLE

Auctioneer – Llŷr Jones 07812934964

A very good July entry with trade just as expected with the larger cattle an ease to sell and plenty of competition seen for farming cattle. Those smaller cattle would be a very selective trade, however young bulls looked very well sold on the day. 27-month-old Friesian steers topped the day at £1530 from TGB & SM Thomas & Son, with a super run of Blues from Glaspant Farm LTD selling to highs of £1270. Plenty £1100-£1200 and as previously mentioned, 11-month-old bulls sold to £900.

Two Simmie heifers from TG & SM Thomas & Son again topped the heifer section at £1630, with 4 Herefords from the same home to £1500. BB heifers from CPLL & M Jones sold to £1350 with strength not a problem to shift!

Thanks to all vendors for putting faith in the orange sale and more are needed for our next sale Monday 12th of August. Please feel free to contact one of the team for a discussion on trade!
