86 STORE CATTLE

Auctioneer – Llyr Jones 07812934964

It was quality not quantity this week with those strong cattle remaining to be in strong demand. Trade overall easier and in line with recent dip in prime values. Farming cattle much dearer on the week with more buyer's ring side for the younger stores.

BB steers topped at £1640 from PM & JE Davies with Sim x steers selling to £1635 and hitting 300p/kg from E Davies. Plenty trading over £1500 today with Monty steers to £1260 with 13-month Charolais looking very well sold at £1160.

Lim heifers from DE & DM Jones topped the heifer section at £1170 with 14-month blue selling to £1080 from DC & LT Solomon.

More required for next week with a full house of competitive buyers lined up for all types.
