150 PRIME LAMBS

Auctioneer – Gwawr Jones

A mixed entry of lambs forward today, reflective in the days average with numbers and trade also dropping nationally towards the end of the week with the hot weather affecting consumption. Pen after pen of smaller, leaner lambs with 25kgs to £54. Better meated lambs similar to the national average with 40kgs to £102. Meated lambs selling well but plenty of farmers in attendance looking for those leaner lambs to keep on a bit longer.
