219 STORE AMD BREEDING CATTLE

Biggest February entry for many years with a large number of young grazing cattle forward. No real strength this sale, however trade was very good on all types. 19-month-old BB steers from A Jenkins topped the bullocks at £1300 with Charolais from the same stable to £1290. Dairy bred Charolais steers sold extremely well with A W Davies selling his best weaned steers to £1090. Empty Friesian heifer topped at £1380 from J H Cowan & Sons. Charolais heifers to £1290 from G & N S Rees with plenty again over £1200. Young weaned heifers over £1000 for the best. Thanks again for your continued support and more cattle needed for our next sale in two weeks.
