**FOR RENT**  
**GRAZING LAND AT**  
**QINETIQ PENDINE RANGES**  
**IN CARMARTHENSHIRE**

An opportunity to rent approximately 40ac/16.187ha of permanent grazing land on Pendine Ranges, within the Pendine Burrows Site of Special Scientific Interest (SSSI)

- As the land is subject to the Pendine Burrows SSSI grazing is subject to a maximum stocking density.
- Grazing by cattle or horses is preferred, but complimentary sheep grazing at certain times of the year will be considered
- The grazing will be available for a 7-year term, under a Licence Agreement
- Access and use will be subject to the military bylaws on Pendine Ranges
- The winning tender will not necessarily be the highest bid, as consideration also has to be given to the suitability of the livestock grazing proposed, with more favour given to grazing by traditional extensive breeds
- It will be advantageous if the grazier lives within one hour's driving time of the site
- Informal tenders are required by 5.00pm on Friday 27th January 2023
