Cow trade very brisk with best fleshy dairy types 196p/kg from TYB Farms LTD which added up nicely to £1489.60. WGM & GS Owen sold 670kg to 188p/kg with others from T Hack at 184ppk.

338 CULL EWES & RAMS

Auctioneer – Dafydd Waters 07908809381

Another excellent entry in the cull section despite a din in price in accordance to previous weeks. Ewes generally harder to sell on the day due to large numbers about up and down the country but nevertheless another steady trade at Emlyn. Topping the day was Beeston Rhandir Farm with two strong Charolais tups at £148 with Carlile Feidr Fawr close behind with their texel tup at £147. Texel ewes topped at £126 from Morris Brynawel taking hit on the day, resulting in an average of £77.26.

Once again, a big thanks for your continued support!

Same time same place next week. Diolch
